

# KANSAS' LARGEST CLASSROOM KC<sup>3</sup> REGISTRATION FORM

2011 Kansas State Fair

Since 2007, the Kansas Construction Careers Coalition (KC<sup>3</sup>) has held the Construction Learning Center at the Kansas State Fair in Hutchinson.

Last year, KC<sup>3</sup> participated in the Kansas' Largest Classroom program through the Kansas State Fair to reach out to students across the state. Participants had the opportunity to build a toolbox with the assistance of an industry professional. To help track the need for supplies, KC<sup>3</sup> is asking classrooms to register to attend the Construction Learning Center to ensure there are enough materials available for each child to receive a toolbox!
